

# The Greedy Gremlin

I'm the greedy, green gremlin Sam keeps in the sink,  
soggy crusts to munch, yummy slops to drink!

When Sam is sitting on the settee and the cat is asleep on his knee  
I creep from the tap on my three green feet,  
A greedy green gremlin from Green Gremlin Street!

I sleep in the dishcloth, play catch with the plug  
I keep my teeth in a cracked coffee mug.
