

Danny and the Bump-a-lump

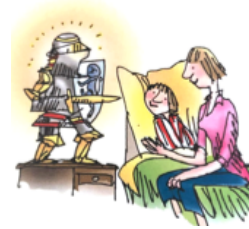

Bump-a-lumps

Danny

Mum stood something next to my bed.
It was a knight.
The right kind of knight for a fight with a Bump-a-lump.
In the knight's head there was a nightlight.
I slid between the sheets and shut my eyes tight.

Mum: Right! This will send the Bump-a-lump away! You will be all right tonight.
Me: Thanks, Mum.
Mum: Do you think you can get to sleep?
Me: I might ... I might ...
Mum: I'm having a look under the bed ... That's not a Bump-a-lump! It's just a bit of fluff! Goodnight, sleep tight, kiss kiss!
Me: Zzzzz! Zzzzz!
